EXCELLENCE IN SURGERY

PERUGIA, Italy

April 19-20-21, 2018

“He is a good surgeon who possesses courage and presence of mind, a hand free from perspiration, tremorless grip of sharp and good instruments, and who carries his operation to success and to the advantage of the patient, who has entrusted his life to the surgeon. The surgeon should respect the absolute surrender and treat his patient as his own son “(Susruta Samhita, 780 BC)
